Commander's Report

By Mike Daigle , 414-817-2153

My fellow 449 family,

A lot of times when I need motivation and inspiration, I walk to the front foyer of our post with the photos of our Past Commanders. I wonder to myself, "What problems they had to deal with?"

Whether it was 1946 or 2017 we still have the same issues. We have to pay the bills, and give folks a reason to want to come here.

That was one of my original tenants of running for this office last June. We have done pretty well. Introducing a fundraising cook-in on Thursday, live music and Karaoke on Thursday evenings.

But we still struggle with having events.

That being said. I am establishing an Events, Planning, and Fundraising Committee. The purpose of this is to come up with new ideas to make our POST the place to be! At the next General Meeting I will be asking for folks to carry the torch of our past and light the fires of our future! Our success depends upon it.

A great amount of members have expressed displeasure of the continuation of the merger committee. The point being, the merger is done. As of 14 Feb 2017 the merger committee is dissolved.

We shall look to the future, we WILL execute the missions of the American Legion, We shall make OUR POST a great place to be.

New initiatives for marketing and getting the word out are in place. Simply stated, we need to reach out more to our local community, and market our FAMILY to make it grow.

1st Vice Message

By Alex Kolander, 414-322-8702

Greetings fellow Legion Members

This month I take this opportunity to bring to light what Post operations should mean to us:

Our charter is to successfully carry out unselfish activities for the community, the State and the Nation. Mutual helpfulness becomes a reality through the posts comradeship, social activities and service programs.

The individual Legionnaire's perception of the American Legion - particularly the post Officer's perception largely defines the post. If the person perceives the Legion to be a bar, the Post will be a bar, and that is all. If the person thinks the post is doing a good job but still isn't attracting new members, then the perception of what the Legion should be, or is, does not agree with what the majority of Veterans in the area want in an organization.

Certain perceptions can prevent the development of new activities that would produce NEW LEADERS and NEW MEMBERS, while others can result in the expansion of programs, Leadership and, eventually, membership.

A good post will know the needs of the Community. It will know them by the simple process of planned contacts by representative post members with City officials, educators, welfare workers, community leaders, and other civic and fraternal groups.

What the post wants and needs to do, it can do, but only if the membership, and the Post Officers in particular, carefully spell out its goals and standards in terms of service to the community and then translate them into action. Service is getting members to a job and having fun while doing it. It's doing what needs to be done, whether for the members or the community. Thus, Post Officers must be aware of the likes and dislikes of it's members, and equally aware of the needs of the community.

WHY DO VETERANS JOIN?

An estimated two thirds of the members of the American Legion joined because of real or expected comradeship, fun, or social activities. As more leisure time becomes reality, there will be an even greater service provided by that organization which has the facilities for it's membership and/or the community to use for social and recreational outlets.

Please note that our membership goal is 1128. We now have paid membership of 918.

Please renew your membership if you have not done so that we may be able to meet our goal. If you need help in regards to paying for your membership. please call me and I will help you do so

Assistant Adjutant Message

Jin Noonan III, 414-899-6306

Please renew your dues. If you have already done so, I thank you and ask that you query your friends about their renewing. If you have a friend or relative that is an Eligible Veteran ask them to join the American Legion and our POST. If it's good enough for you, it should be fine for them.

Thank You for serving and continuing to serve.

Notes of Interest:

I would like to thank the following families and groups for their generous contributions to our Post for the Honor Guard's service for their loved ones. The Kleine Family, The Hoefst Family, The Tate Family, The Schlich Family, The Noonan Family, and The Knuth Family.

I would also like to mention that myself and John Frailing have enrolled in the Legion College Basic and intermediate courses which will held at the Appleton Post 38 on March 25th & 26th. Each course will last 8 hours each day. We also plan to apply for the Advanced course when made available.

I have appointed Bill Ochowicz to the position of Honor Guard Vice Commander. In this role, Bill will assume my duties in the event I am unavailable so that we can continue to provide Military Funeral Honors to our veterans.

I also want to remind everyone that if you want or are planning for a Military Honors Funeral, please make arrangements with your funeral home and supply a DD214 form. I have the Military Funeral Honors Request forms which you can use to supply to your funeral home, which will list all your funeral requirements. If you want a copy of this form, please contact me.

V.A. News & Info:

1- The American Legion's Veterans Memorial Identification Project has already attracted 180 submissions from 36 American Legion departments. Through the project, American Legion Family members can find, photograph, collect information on and upload entries on veterans' memorials and monuments in their area. One goal of the database is to help defend against challenges to memorials that have religious language or symbolism. For more information and to add a memorial to the database, visit the [American Legion Memorials webpage](#).

2- The American Legion recently updated its "Let's Be Right on Flag Etiquette" booklet in an effort to increase public knowledge of the proper display and respect for the U.S. Flag. The booklets can be purchased for \$1 each through American Legion [Emblem Sales](#). The American Legion offers a Flag Alert e-newsletter that provides notification when the U.S. Flag is to be displayed at half-staff. Subscribe to the flag e-newsletter on the [American Legion Newsletters webpage](#). For further flag information and resources, visit the [American Legion Flag webpage](#) and the [Military.com Flag Day page](#).

3- Effective February 27, the Department of Veterans Affairs (VA) will change the federal regulations concerning copayments charged to veterans for medications required on an outpatient basis to treat non-service connected conditions. The new tiered copayment structure will decrease the costs of outpatient medications for most veterans. Under the new regulation, copayment amounts

would be fixed and would only vary depending upon the class of outpatient medication in the tier. Veterans who currently do not have a copayment or are exempt by law will not be affected by the change.

4- If you disagree with the decision the Department of Veterans Affairs (VA) made on your disability compensation claim, your first step is to file the Notice of Disagreement ([VA-Form 21-0958](#)) that was included with your claim decision. If you do not feel confident enough to do this on your own, your Veterans Service Organization (VSO) can help you. The NOD form contains blocks for each issue of contention (the medical conditions for which you filed the claim). The most important section is the narrative to explain why you feel VA incorrectly decided your claim. For more information, read the [VA Vantage Point Blog](#).

Since December 21st the Winter Solstice (the day with the least amount of daylight in the Northern Hemisphere) days are getting longer each day by a few minutes.

On March 20th the Vernal or Spring Equinox will occur, one of two days each year when there is equal daylight and equal darkness all over the earth.

To many, Spring is a planning time and renewal, when snow is gone, yards can be raked; early flowers spring up; golf clubs are cleaned up; lawn mowers are tuned. There is a feeling of anticipation for the upcoming warmth and excitement of the summer season.

So as light increases each day we may ask "The light of the World" to aid in our seeing the wonders that surround us. As life stretches out in front of us we may ask His help in our planning and renewal.

The President's Message...

By Kathy McCarthy, 262-442-5703
sixtyschld@yahoo.com

Is it Spring yet? I think our calendars are confused because of winter weather so far. Mind you I am not complaining about this nice weather is giving me the itch to work out side, but I know better.

I must tell you that when we had the 40 veterans from Zablocki here on February 1st we all had a great time. The food was wonderful, Thank You Chef Wayne and your staff as well as a big Thank You to the 19 volunteers that came to help that night. Also, our music was supplied by our own Joyce Bevans. Please mark your calendars for March 22nd, the veterans will be back for their St. Patrick's Day corn beef and cabbage.

There have been some changes in the month of March. First, we go back to our night time meeting which will be March 21st at 7pm. On March 25th, we are still having the County's Tie Blanket Day here at the 449, but the Spaghetti Lunch and Raffles has been moved to April 1st. In doing so it allows everyone to participate in making the blankets for our veterans. I'm hoping that we can make at least 40 blankets that day. How wonderful that would be! A light lunch will be served as well as doughnuts and coffee in the morning.

There is a lot more coming in the next several months and I will keep informed. Remember to pay your dues and invite a friend to join this great organization. Where else can you go to be all women who have the same goals, "Help Our Veterans!" Not to say to make some new friendships.

Until our next meeting.

I'll see you at the Post! Kathy

Greetings to all,

Well we had another successful dinner for the special Veterans at Zablocki. Thank you so much to all who helped with this important dinner, there were both senior and junior members there to help the Veterans feel welcome. The Veterans enjoyed ham, turkey, and all of the fixings. Clothes and other items were brought in for them to choose from. Horse racing was had fun by all. Please enjoy the pictures below showing what we as an organization are all about.

The next dinner for the Veterans from Zablocki will be held here at the post on Wednesday, March 22nd for St Patrick's Day starting at 5:00. We will be serving corned beef and cabbage. If you would like to volunteer or bring a dessert for this event please contact me otherwise a sign up sheet will be available at the auxiliary meeting.

Membership and volunteers are the life blood of our organization. Please remember to treat all volunteers with respect and appreciation. If we lose volunteers and members due to lack of respect and appreciation we lose our organization. Thank you so much to all who have given thier service to our important causes and what we stand for.

March: Will it come in like a Lion or like a Lamb?

Spring is just around the corner. A time when the earth begins to stir and God's creations spring to live once more.

It's a time for everything to begin anew. For Catholics, it is the time of Lent, which begins on Ash Wednesday. This is the time to fast from those foods and habits that please us. It's like beginning anew.

On March 17th, you will be celebrating with Corn Beef and cabbage, Irish Soda Bread, Green Beer, Irish whiskey, Dancing and Shenanigans.

So as you celebrate the "Wearing Of The Green" : I leave you with this blessing:

May the road rise up to meet you
May the wind be always at your back
May the sun shine warm upon your face
the rains fall soft upon your fields
and until we meet again,
May God hold you in the palm of His hand

Hello, and greetings to all from the *Grand Puba* of the S.A.L.

Well, here we go and your S.A.L. will be hosting a lot of functions in 2017, and Mike Pook will be stating them in his report. One of the events that we had last year was the "Weapons" drawing, and a lot of people were asking if we will be having another one this year. Yes we will, and it be held from Memorial Day to the 4th of July. The winner will have their choice of "weapons" or a cash payout of \$500. Again, I want to THANK all the members of our S.A.L. for coming up with all the different ideas that your S.A.L. can do for our Legion and the community. This is who we are and this is what we will continue to do.

"I know I'm not popular when the other day I was depressed and going to jump out a 10th floor window. They sent a priest to talk to me and I know I was in trouble when he said was, "on your mark....."

We are the "Sons of the American Legion", a team you can depend on.

God bless our veterans, our military and the United States of America.

S.A.L. Vice Commander Thank You

As you will notice the LEDs have finally been completed in the bar area and front windows. I would like to send out a big thank you to Elmer Zimmerman for first matching the color and then staining the woodwork involved with the project.

Thanks Elmer.

While the February drive was successful, there were 9 No-Shows so total donations were disappointing. However, we can do better with more people stepping up to donate. Please contact Carol Lers at [262-691-5873](tel:262-691-5873) or carole-lers@outlook.com to schedule a time convenient to you.
